

Engineering Students - Come study at Hanyang University in

Seoul, Korea – Summer 2018

June 30-July 29, 2018

Ever thought about studying abroad? University of the Pacific Engineering students can earn 6 units of academic credit while studying Statics and Korean Language in Korea. Participants are required to register in both courses, and meet the prerequisites of MATH 053 and PHYS 053 with a “C-” or better.* A valid passport is required; no visa required for U.S. citizens.**

INCLUDED IN COURSE FEE OF \$3,300

- Tuition for 6 units of academic credit (must pass with C or better to transfer units to Pacific)
 - Statics – 3 units which will meet the requirement for ENGR 020
 - Korean Language – 3 units which will satisfy GE 2A
- Accommodations (dorm-style)
- Day trips such as: Seoul City Tour, Everland Amusement Park, Boryeong Mud Festival

NOT INCLUDED

- Airfare (estimated to be \$1500)
- Food
- Personal trips and expenses
